FEBRUARY 2019

CHILDREN ARE DUE BACK AT SCHOOL ON MONDAY 25TH FEBRUARY

HAPPY HALF TERM EVERYONE!

THE CORNISH CARETAKERS

It was an absolute delight to welcome 'Kernow King' (aka Ed Rowe), Jenny Beare and Iain Rowe to St Breward School for an afternoon to educate our children about some of the memorable characters from Cornish history. Richard Trevithick (steam engine), Rowena Cade (Minack Theatre), John Couch (discovered Neptune), Dolly Pentreath (last native speaker) and Bobby Leach (travelled over Niagra Falls in a barrel) were amongst the individuals mentioned. The workshop with Dolphins was superb and the performance bringing these characters to life was pure entertainment. If ever you get the chance to see the show, it is strongly recommended. What was in that green, glowing box??!!

EN GARDE!

Fencing is not your average PE lesson and the excitement and enjoyment was evident from the levels of participation and achievement. The progression from foam sabres to plastic foils meant the addition of body protection and helmets which helped the children look and feel the part. The experience was enjoyed by all – including the adults!

SCHOOL COUNCIL MATTERS

The School Council remain very active with their fortnightly meetings. Very much in focus at present is working towards the Healthy School Award. Suzie Cox, Area Project Lead is guiding the School Council through the process advising on issues such as Tuck Shop and staying 'Sugar Smart'. The Council are also wanting to set up an Eco Group (watch this space). As always, thank you to Miss Goodman for efforts.

EQUALITY AND DIVERSITY

We hope that you are always treated fairly and feel able to come into school to discuss issues. We are open to reviewing our equality policies. What does this mean? We aim, in everything we do, to treat all members of our school community fairly in all respects—gender, race, age, single parents, sexual orientation, disability and religious belief. If you feel that you are being treated less than fairly it is hoped that you feel able to discuss the matter with any member of staff here at school, or if you would prefer to discuss it with a parent governor, please do so. The parent governors here at St Breward are Rachel Cooke and Rachel Buchannan

HERE AT THE SCHOOL

OUTDOOR LEARNING

Turtles and Dolphins have been working together to develop a variety of outdoor skills and enjoy creative learning. Fire lighting using flint and stone, leaf art, clay tree spirits and toasting marshmallows are just some of the activities they've been enjoying.

Next half term will see the launch of the Raised Bed Competition—which class can make the most money from produce grown and sold in their raised bed?

Are you a parent / friend with time on their hands to help? If so, please make yourself known.

SWIMMING

This half term the Dolphins have been learning some personal survival skills and have learnt to swim, and tread water, in clothes.

A DAY WITH DAYA

The Dolphins and the Seahorses spent the day with Daya Stafford looking at Hinduism and getting dressed up in some Indian clothing. They really enjoyed the sessions and were able to help Daya cook some food that would found at a typical Hindu temple. The Turtles were able to join the Seahorses for the cookery session.

KICK BOXING

The children in KS2 were given the opportunity to try a kick boxing session with Liam Smith. Some were so keen that we have arranged a club

to start after half-term for six weeks.

STORYTELLING WITH SUSAN SAM

Susan told the Turtles three very enjoyable stories complete with a variety of props. They had 'A Fish that Wished', 'Musicians of Brennan' and 'A Hedgehog and a Mouse'.

The children were riveted throughout and left wanting more!

Thank you Susan Sam for your expert storytelling!

Congratulations!

Well done to all the 'stars' who have received a certificate so far this term. Your hard work is always noticed! The children below have been identified as 'shining' in a particular subject area or for being an overall superstar!
