

Monday 20<sup>th</sup> May 2019

Dear Parents and Carers,

Children in Seahorses Class will not be receiving spellings or maths homework for the next 2 weeks. The children will still receive stars for their reading bookmarks when they have read at home.

After the half term we will be continuing with the topic 'Cornwall'. We are looking forward to exploring Cornish myths and legends and therefore we have set an optional homework task for the children to complete over the next 2 weeks.

## Optional homework task

Research/ read a Cornish myth or legend and create a representation to explain the myth or legend to the class.

Examples- a written story, comic strip, model, painting or drawing, video, puppet re-enactment.

This task is aimed to be enjoyable and informative for yourself and your child.

All homework will be shared with the class on Monday 3<sup>rd</sup> June, when we return from the half term break.

Many Thanks

Miss Hannah Simpson and Miss Bonser
