

Morning and after school provision

Following the guidance from the Government, published yesterday, we would like to find out the needs of parents for wraparound care, from September, for their children. This will need to be specific, day by day, and would need to be booked and paid for half termly, in advance, with no last minute drop-offs. As children are to remain in 'bubbles' essentially there won't be one but two breakfast clubs, for example. This will mean paying teaching assistants extra to look after the children. We would not be providing food as there may be chance for cross contamination, but children are welcome to bring their own. Please complete the enclosed form and return as soon as possible, so we can start planning and work out how much we would need to charge for any provision.

Kind regards

Helen Ward
