

## Medium Term Planning Turtles Class

Autumn Term 1 2020

### **‘All about Me’**

#### Personal, Social and Emotional Development.

We have daily circle time sessions where we share our thoughts, feelings and emotions. Here we develop our skills of listening, taking turns and sharing and making good relationships with others.

#### Understanding the world

In our topic sessions we are focusing on ourselves and others in different countries. Here we will learn what makes me, me and how everybody is special in their own ways. We will also compare ourselves to each other and learn to respect that everyone is different. In our continuous provision we have a wide variety of activities which will develop your child's knowledge, skills and understanding of the world around them. There is also constant access to a wide range of technology in our continuous provision.

#### Literacy incl. Communication & Language

We will be reading stories about people, jobs they do, hobbies and emotions and families. We will be singing songs about ourselves and our body, for example head, shoulders, knees and toes, if your happy and you know it.

#### Expressive Arts & Design

We will incorporate a variety of ‘All about me’ activities through mark making (using paints, crayons etc) to create a self portrait, My family, my favourite toy, story and food picture and to also use a variety of construction materials to build our home. We will also be maintaining our plot as well as creating some nature art and building dens.

#### Physical Development

Our focus will be on throwing and catching, hopping, jumping etc. We will then progress onto increasing control and accuracy. We will also incorporate using our senses in the way of ‘Sniff and match’ games etc.

#### Mathematics

In our maths sessions this term we will be focusing on numbers 1 to 5. We will learn what they look like, what these numbers represent and how we use them in day-to-day life. We will also begin to learn the concepts of addition and subtraction within 5.
