Living things
Plants and Animals

Personal, Social, Emotional Development
We will be learning about feelings, identifying what makes us smile and how we can make others smile.

We will learn different ways to help us feel calm.

Communication and language
We will be learning to define the vocabulary we are using: habitats, survival, growth and ?

I will talk about an idea and make connection to another idea by using words like; and, or, but because.

Reading
I can blend sounds to read words and simple sentences.
I can read tricky words-
I can answer questions about a story or non-fiction text.

Physical Development
We are learning to develop our coordination and balance skills.
I am learning to form letters and numbers correctly.

Writing
I can form lower case letters correctly.
I can spell words by segmenting a word and identifying the sounds.

Expressive Arts and Design
We will be learning how to use pencils and pastels to create plant pictures.

I can listen attentively to, move to and talk about music.

Maths
We will be learning to count to 9 and 10, forwards and backwards.
We will be learning to compare numbers to 10 using the vocabulary 'fewer' 'more' and the 'same'.
We will be learning bonds to 10 using real objects in different contexts.
We will be learning about 3D shapes.
We will be learning to describe, continue and copy repeating patterns.

Understanding the World
We will be identifying simple parts of a plant. We will be learning to talk about what we notice.
I can name animals that we might see near our homes and suggest where they might live and why.
