Mathematics
We will begin the term focusing on measures. The children will be measuring, ordering and comparing length and height.

R.E
We will be exploring what makes people and places in Cornwall sacred?

Geography
Coasts
Our enquiry question is What is it like living at the coast?
The children will be learning what a coast is, locating the nearest coast and understanding how and for what reasons people use coasts.

Science
Plants
The children will observe and describe how seeds and bulbs grow into mature plants. They will find out and describe how plants need light, water and a suitable temperature to grow and stay healthy.

English
We will be focusing on the non-fiction text Seed to Sunflower. The children will be writing a poster/ booklet about the life cycle of a plant.
We will be continuing with our reading journey through our Little Wandle programme.

Seahorses Class KS1
Summer term 1 2025
Let's explore: Plant growth and Coasts

Art
Drawing: Tell a story
This unit focuses on helping pupils develop their ability to tell a story through drawing. Lessons include creating textures, observational drawing, character expression and storytelling through illustrations.

PSHE
Citizenship
This unit focuses on understand the importance of rules, understanding the needs of animals and how we can care for them and recognising ways in which we re the same and different to other people and identifying groups that we belong to.

P.E and outdoor learning
This half term, our P.E lessons will be focusing on skills used in athletics; jumping and throwing. We are excited to have weekly outdoor learning lessons delivered by Arena Wild Tribe experts.

Computing
Digital painting
The children will be developing their keypad skills to recreate artist's work. They will use shape, line and paint tools to do different jobs.
